have been placed on
each Lot Corner

AFFIDAVIT

I Herby Certify that I, Bennett R. Wattles, Professional Land Surveyor, Florida Certificate No. 1443, directed and supervised all original Field Surveys and the preparation of the record plat thereof for THREE RIVERS ESTATES UNIT NO. 7 as recorded in Platbook 4, Page 28, Public Records, Columbia County, Florida. I further certify that an error was made in the drafting of said plat, to wit: At the Northwesterly Corner of Lot 35, an angle of 70° 30' appears. I Herby Certify that this angle should correctly read 80° 30', that being the angle used in the original field survey. I have made a resurvey of Lot 35 within the 10 days preceding this letter and have determined that no party or parties will be injured by a correction of the plat of record.

Therefore, I request that I be allowed to "line through" the angle in error and insert adjacent there-to the true angle on the face of said Record Plat and that notation of this affidavit be placed in the Public Records and notice of same be inscribed on the margin of said plat, in accordance with Chapter 177, Sub-Chapter 177.32, Florida Statutes.
