PLAT NOTES:

- 1) Subdivision plat by no means represents a determination on whether properties will or will not flood. Land within the boundaries of this plat may or may not be subject to flooding; the Development Review Division has information regarding flooding and the restrictions on development.
- 2) NOTICE: This plat, as recorded in its graphic form, is the official depiction of the subdivision lands described herein and will in no circumstances be supplanted in authority by any other graphic or digital form of the plat. There may be additional restrictions that are not recorded on this plat that may be found in the Public Records of this county.
- 3) Basis of bearing: The North boundary SW 1/4 NE 1/4 SEC. 14-2-16 bearing S89°20'59"W Assumed.
- 4) Lines beyond the plat boundary are shown for graphical purposes and are not a part of this plat.
- 5) All platted utility easements shall provide that such easements shall also be easements for the construction, installation, maintenance, and operation of cable television services; provided, however, no such construction, installation, maintenance, and operation of cable television services shall interfere with.
